Kane County was the fastest job-growing county in the state of Utah during 1997. But, by 1999, the county was losing some of its employment base. The earlier spurt was produced by gains in manufacturing and recreation-related employment. With Lake Powell and the Grand Staircase Escalante National Monument partially within its border. p = preliminary

Income and Wages

	1997	1998	1999	2000	2001p
